

Deep Creek

Directions from Waynesville: *Take a left onto HWY 23/74 until you hit exit 67 for Bryson City. Follow signs to Deep Creek*

Travel Time: *Approx. 45 mins*

Difficulty: *Moderate trail, rough rafting.*

Distance: *When you get to the Deep Creek campground, you can take a gravel path that runs along the stream to the upper-most put-in (approx. 1 mi). There are multiple places to put your tube in to ride to the bottom.*

Scenery: *Small Waterfall Views, Forest*

Trail Description: *Easy hike to top put-in*

To Note: *Caution: Rapids can be VERY fast depending on water level. Recommended that only adults ride the rapids from the upper-most put in. Near the parking area are slow rapids for kids. You can rent tubes very cheap right outside of the park.*
